## Riviera Aluminum Sliding Glass Dividers & Closet Doors

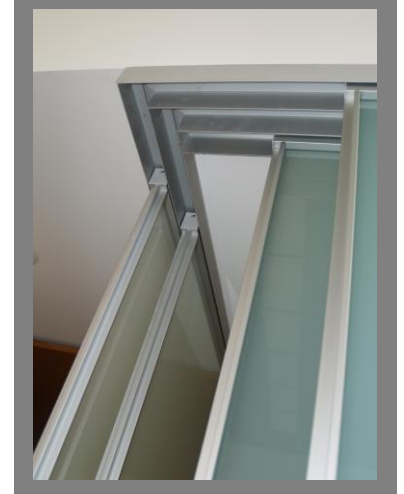

Satin aluminum framed sliding glass dividers can be used in any room as closet doors or in place of walls to divide open areas. European styling gives a distinct look and feel to any room.

- Perfect for condominiums where building code requirements call for natural light in bedrooms without windows.
- Available in single or multiple door combinations to accommodate any width opening up to 108" high
- 6mm insert gap allows for many options including white laminated glass, clear glass, mirror, melamine or wood grain panel
- Combine two inserts for a unique look.
- Eliminate floor track with an optional top hanging system

### Features and Benefits

- White laminated glass lets natural light enter a room while maintaining privacy.
- Adding tracks allows the doors to stack in front of each to enhance the size and feel of a room.
- Use as room dividers, pocket doors or closet dividers
- Combine inserts to match décor
- Virtually any 6mm or 1/4" material can be used
