Wire Shelving

Drooping, old and dirty shelves are a thing of the past. Tired of not being able to find anything? Need more room in your closet? A properly designed closet will multiply your storage and functionality. Wire shelving and wood organizers can be used as towers, double hang, or shoe shelves to build a closet to fit your wardrobe. A wide range of wire solutions that organize the linen and coat closets, the laundry and utility room - even the pantry

- Shelf and rod shelving in 12 and 16" depths as standard or freeslide (continuous sliding)
- Linen shelving in 9,12,16 and 20" as standard or tight mesh
- Corner shelves, baskets and cabinets can be added to increase functionality

Features and Benefits

- Rubbermaid Products
- epoxy coating looks great and outperforms vinyl coated shelving
- easily customized to suit all your storage needs
- Prefinished requires no sealants or paint during installation
- Promotes air circulation, preventing mold and dust
